PARENT CORNER

Loose Parts in our classroom!

Starting March 1, we will be collecting loose parts for our classroom, there are endless possibilities for play and we would love it if you can help us in collecting. Please make sure anything you collect is clean. Some things we like are spools, tubes, wrapping paper/tissue paper, used kitchen utensils (wooden spoons, potato mashers, measuring cups, etc), buttons, scraps of fabric, cookie tins, pool noodles, cookie cutters, lids from baby food squeeze pouches or anything you might consider junk! Bring them to your child's teachers and we will sort them out the first week of April. That means you have a whole month to collect!
