## FROM THE OFFICE

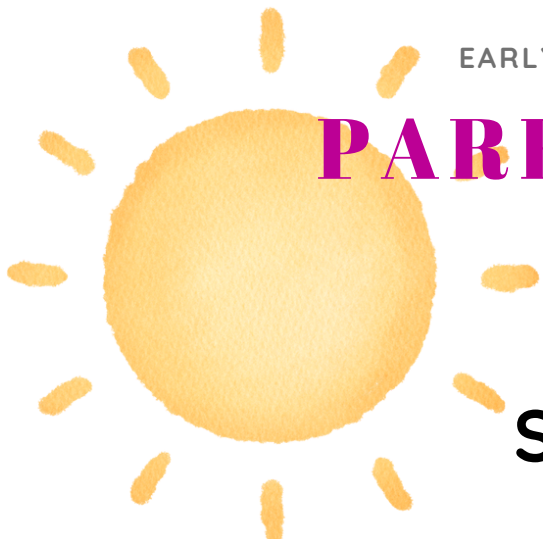

The management & staff would like to congratulate Ms. Roselyne on receiving her level 2 in early childhood education and Ms. Harpreet on receiving her level 3! Your hard work, dedication and commitment to supporting children's growth and learning are truly inspiring. We wish you both continued success as you grow in your careers and make a positive impact on the lives of children and their families.

Summer Holidays...please let the office know if you are planning on summer holidays. It allows us to give our staff vacations as well.
